

Equine Wellness Plans

Dr Keith L Wagner provides quality services for your equine friend. Prevention is key to increasing the horses longevity and reducing veterinary medical expense. He has created equine wellness plans to make sure your horse receives the routine and preventive care it needs to live a full and productive life. The plans are the **Healthy Adult, Healthy Broodmare, and Healthy Senior.**

The specific services and tests your horse will receive are detailed inside. By enrolling, you will:

- Enjoy the advantages of a worry-free healthcare plan. No phone calls or appointments to make.
- Receive notification from EHS when it's time for your preventive care appointment.
- Receive significant savings by pre-paying for medical services
